Questions:

1. **Will the district consider SprayWall Sprayroq as an alternative coating system for this project?**

   Yes, the SprayWall as manufactured by Sprayroq is considered an approved coating system.

2. **Will the district allow new Ameron PVC products, obtained prior to the business closure, for the existing PVC repairs?**

   No, new Ameron PVC products obtained prior to the business closure are not allowed for existing PVC repairs.

3. **Will the Owner agree to strike or modify the Sovereign Nation Immunity clause to the extent necessary to allow bonding, or otherwise provide written assurance that sovereign immunity will not prevent the enforcement of bond obligations or contractor remedies?**

   The tribe does not waive sovereign immunity.

4. **Please confirm that all dispute resolution proceedings arising from this contract will take place under the jurisdiction of Arizona state courts rather than tribal courts.**

   The tribal court would not be able to handle those kinds of disputes.
