K-12th EDUCATION HANDBOOK

Revised 2008

AUTHORIZATION FOR RELEASE OF INFORMATION BY A PARENT/LEGAL GUARDIAN

A release of information granting permission to access grades must be signed by a parent/legal guardian and returned to the Education Department before any funds can be disbursed. Legal guardianship documents must be provided. In accordance with the school's regulations, a signed release of information form is required before the school can release grades and attendance. Our form is aligned to the standard form used by all school districts. A new form must be signed at the beginning of each school year or if any changes occur during the school year. The deadline to submit this form is the first week in August.

Parents are responsible for notifying the Education Department when a change of address or a change of school occurs. Failure to notify the department can result in the loss of funding.

ACADEMIC POLICY:

ACADEMIC AND ATTENDANCE STANDING/PROGRESS/EXPECTATIONS AND SUSPENSION OR WITHDRAW

Good academic progress, for the purpose of Education Department K-5th grade funding is defined as receiving satisfactory marks (“C” average or “Meeting” expectations) during each grading period.

Good academic standing, for the purpose of Education Department 6-12th grade funding, is defined as having a 2.0 grade point average (GPA) for each academic semester.

When the school has not yet assessed a GPA or progress report, or does not produce GPA’s, progress report or report card as part of their curriculum, the student may be required to complete a progress report form provided by the Education department, signed by the teacher(s), verifying their academic standing or progress. The prior year’s academic progress may also be used.

Failure to meet good academic standing will result in loss of any or all funding until such time the student’s academic standing improves to a satisfactory standing. Academic standing or progress is assessed and evaluated on a semester (every 2 quarters) basis. Funding will be reinstated after the successful completion of one academic semester. If a student fails to meet the requirements for good academic standing due to circumstances beyond his or her control, the parent or guardian must provide documentation to the Education Department for a re-evaluation of the situation. The Education Department will use the prior semester or final semester grades and GPA of the prior year to determine eligibility. Funding includes but not limited to:

- **Tuition**
- **Books**
- **Instrument Rental**
- **School Trips**
- **Achievement Awards**
- **Graduation Fees**
- **Student IDs**
- **PE Uniforms**
- **Any other fees or school academic related expense**

The following are Grading Scales used in various school districts:

E=	Excellent	=	A	90% - 100%	4 GPA
S=	Satisfactory	=	B	80% - 89%	3 GPA
N=	Needs Improvement	=	C	70% - 79%	2 GPA
U=	Unsatisfactory	=	D	60% - 69%	1 GPA
		=	F	59% - 0%	0 GPA

(GPA is the Grade Point Average)

E	=	Exceeds	=	4 GPA
M	=	Meets	=	3 GPA
A	=	Approaches	=	2 GPA
F	=	Falls Far Below	=	1 GPA
		High School Districts F's	=	0 GPA

A	=	Excellent	=	90% - 100%	4 GPA
B	=	Above Average	=	80% - 89%	3 GPA
C	=	Average	=	70% - 79%	2 GPA
D	=	Below Average	=	60% - 69%	1 GPA
F	=	Failing/No Credit	=	50% - 0%	0 GPA

“I” indicates “Incomplete” which means the student was unable to complete his or her work due to circumstances beyond his or her control.

“NC” indicates the student did not earn credit for extenuating circumstances (i.e. excessive absences).

ATTENDANCE

Display of consistent attendance is a requirement for good attendance standing and will be evaluated on a regular basis. Consistent attendance is defined as fewer than five absences during each academic semester. Students who attend make-up school to lower their absences to fewer than five will be considered to be in good attendance standing. If the student exceeds the five day absence criteria due to circumstances out of their control, then consideration will be established in the evaluation of the student's performance with regards to funding.

If a student voluntarily or is involuntarily withdrawn, or suspended for any reason from school and does not complete the academic semester or year at another school or program, the student will be ineligible for funding for the next academic semester. The student will be eligible for additional funding after the successful completion of one academic semester.
